

# Anti-Kidnap & Hostage-Taking Awareness Training

Online Course Accredited by the CPD Accreditation Group

## About

This CPD Accredited, fully online Anti-Kidnap & Hostage-Taking Awareness Training Course is aimed at those persons who either work or live in environments where the threat of abduction is high, or are potential targets of such acts.

This course has been written by subject matter experts hailing from UK Elite Military Units, highly-experienced at operating in high-risk environments for Private Security Companies, this course offers the learner an in-depth insight into risk mitigation of security-related incidents such as risk of kidnap or injury.

## Awarding Body

This course is fully accredited by the CPD Accreditation Board. Upon successful completion, learners will receive a PDF certificate via the eLearning system.

## Target Audience

The course is designed for anyone who travels frequently within any type of environment, from low to high risk, where the threat of kidnap poses a significant risk of injury or death.

## Course Duration

The course duration is approximately 4 hours depending on the learner's abilities and reading speed. However, you can enter and exit this course as often as you require.

## Regulations

Companies, Organisations, Charities and other Agencies have a 'Duty of Care' to their staff, contractors and any third-parties working under their umbrella in these hostile or austere environments.

Many legal cases have been brought against them for failing to prepare their personnel effectively to work in these environments.

## Why Take This Course
