

Drug Abuse Awareness in the Maritime Sector

For the Superyacht & Mega Yacht Sector

About

The purpose of this short, fully online, Drug Abuse Awareness in the Maritime Sector Course, is to provide those crew, staff, and passengers onboard the superyachts and mega yachts with an awareness of the types of illegal drugs and substances that may be brought onto a vessel illegally, for transportation, distribution of, or use of by those committing the act, or associated with such an act.

This course is designed to be taken as an add-on to the fully online, MCA Approved [STCW ISPS] PDSO & SSO Maritime Security Courses.

Target Audience

The course is designed for all crew, staff and anyone else working on, or frequenting a vessel often. Learners should possess a good understanding of the risks associated with the use of, illegal transportation of, and effects of illegal drugs and substances which have been brought onto the vessel.

Why Take This Course

There are many key benefits studying an online course with VIRSEC, here are just a few of them:

- ✔ The Course is Fully Online
